PERSONAL STATEMENT

I am a confident communicator and hardworking individual with personal results to show for it. I am a quick learner who is always willing to work hard and have an input into a team environment. I am extremely self-motivated, with strong interpersonal skills and always looking for new opportunities to learn and develop myself further.

EDUCATION

Loughborough University - *Expected 2:1*

Oct 2018 – July 2021

Currently in my final year studying Computer Science BSc at Loughborough University. This course combines coursework with theoretical exams and allows me to keep developing skills and producing projects, examples being:

- Programming language experience in Python, Java, HTML, PHP and C/C++, coupled with experience with command line interfaces in Linux.
- Experience using terminal git as well as GITHUB for version control.
- 86% (1st) and 72%(1st) in Android Development Coursework (Java) and Intro to Programming (Python) coursework respectively, taking requirements and executing upon them. See GitHub for code.
- 83% (1st) in data-based Web Programming Module Project developing PHP and HTML/CSS skills in a client setting.
- A portfolio website demonstrating projects I have completed.
- Year-long final year project developing a Kanban Board in Java on Android, alongside an extensive project report.

Wallington County Grammar School

September 2011-August 2018

- **August 2018**
 - *A Grade* in A2 Mathematics, A2 Economics, and A2 Computer Science.
- **August 2016**
 - *11 A* - C IGCSEs* with 8 A*-A Grades

EMPLOYMENT EXPERIENCE

Lidl Loughborough; Sales Assistant

February 2019 – Today

Time spent working on the shop floor and warehouse of a Lidl branch working 20+ hours a week as well as balancing the workload from my studies. Aided me in improving upon skills such as;

- Communicating with customers and developing relationships in order to maintain and exceed the expected level of customer service.
- Managing my time throughout the day to successfully complete all tasks to the highest degree before the days end, which resulted in higher revenue for the branch with less stock wasted.
- Ensuring the upkeep of the store throughout the day.
- Working as a team to get through busy days seamlessly thus ensuring high profits for the company.

Waitrose Banstead; Sales Assistant

August 2017 – September 2018

- Worked as a retail assistant ensuring the daily stock replenishment of the store. I was responsible for helping customers, working at the checkouts, tidiness around the store and replenishing stock.
- Responsible for helping delegate roles to newer part timers and ensured all tasks were complete before the end of the shift.

SKILLS AND ACHIEVEMENTS

ACHIEVEMENTS

- Awarded the '100 Tie' for representing the school on 100 occasions
- Regular 1st School team rugby player, as well as competitive Platform Diver
